Realm Information

On our parish website, you will see a small cloud logo that says “Realm.” This Realm platform is our church management software, and it is cloud-based, meaning that it can be accessed from anywhere that you have an internet browser or the Realm app. Within Realm, there are ministry areas and groups within each of those areas. The groups correspond to our different ministries, teams, classes, etc. They each have leaders assigned and those leaders can communicate with group members, add and remove group members, store digital files and resources, create events, and much more. As a parishioner, you can express interest in joining a group (a ministry) at any time during the year. The group leader will be in touch with you to confirm your interest, to welcome you, and to get you started!

Ministry Interest

In order to express your interest in a certain ministry or group, please follow the instructions below.

- Step 1** Make sure you have a Realm account. If you don't, please request one by contacting the parish office. We will need a valid email address in our system in order to process your request. Tutorials for this can be found on our website at www.stpiusxnc.com/realm.
- Step 2** Log into your Realm account.
If you are on the desktop version: On the left side of the computer screen, you will see an option to select “Groups” from the menu. Here you will see groups you are already a part of, as well as the option to “Find Groups,” where you can explore the different ministry areas and groups.
If you are on the app: There are three dots on the bottom menu and if you click on those you will see an option to select “Groups” from the next screen. If you scroll all the way down, you will be able to select “Find Groups” from this menu and follow the same steps as above.
- Step 3** Join ministry groups as you desire! The leaders will be in contact with you and get you started.

If you are unable to access Realm or prefer to join a ministry by submitting your information to the parish office, please see the interest form at the back of this booklet.

INTRODUCTORY INFORMATION

Ministry Information

Our ministries are organized into four categories as listed below. These are ministries that are always seeking and recruiting good stewards to join. Some ministries are considered “closed group” and will not display in Realm because they are only open to members of that class or group. Other groups will not be visible to you on Realm if you are not eligible to join. (For example, if you are a female you may not see the option to join the Knights of Columbus, an all-male fraternal organization.)

SACRAMENTS

Baptism

Our parish is glad to bring children into God's family and the staff is here to help make the process easy and joyful! Parents must be regularly attending Mass and registered at St. Pius X for at least six months. Preparation sessions are held every other month.

First Reconciliation and First Holy Communion

First Reconciliation and First Holy Communion typically take place during a student's 2nd grade year. Prerequisites include Christian Baptism and the completion of two years of Faith Formation classes or religious education through a Catholic school. Parents must attend periodic meetings to help prepare their children for these sacraments through an at-home component of the program.

Confirmation

Confirmation preparation is a two-year process, typically beginning in 7th grade, with Confirmation taking place in the spring of 8th grade. Our program meets throughout the school year and utilizes dynamic videos, talks, retreats, and small-group discussions to help teens develop a deeper understanding of their Faith, ultimately leading them closer to Christ.

Matrimony

Our parish prepares engaged couples for the wonderful Sacrament of Matrimony through an initial Pre-Cana session at the parish, followed by an enjoyable mentor process, guiding them through the joys and struggles of married life. Couples wishing to prepare for their marriage at St. Pius X should contact the parish office at least six months in advance to schedule a date and begin the preparation process.

Annulments

If you or your spouse were married previously, if you are getting married for the second time, or if you are currently divorced – if you would like information about annulments, please contact the parish office.

Anointing of the Sick

Through the ministry of the priest, it is Jesus who touches the sick to heal them from sin – and sometimes even from physical ailment. The Rite of Anointing tells us there is no need to wait until a person is at the point of death to receive this Sacrament. A careful judgment about the serious nature of the illness or situation is sufficient.
